# TERRA Hi-Vis Traffic Pants

**Product information**

The High-Visibility Traffic Pants are lightweight polyester work trousers designed for traffic controllers and road construction personnel. Reflective tape with orange contrast stripes supports worker visibility, while adjustable closures and multiple pockets provide practical functionality during daily operations.

**Best used for:**

- Traffic control and road construction operations requiring high-visibility workwear.

**Product benefits:**

- Lightweight 120 gsm polyester knit supports comfortable movement during extended shifts.
- UV-resistant dye helps maintain garment colour during outdoor use.
- Reflective tape with orange contrast stripes enhances visibility in traffic environments.
- Adjustable elastic waistband and ankle closures provide a secure, adaptable fit.
- Five pockets provide accessible storage for essential work items.

**Standard:**

ANSI/ISEA 107, Supplemental Class E; Transports Québec P4.34.1. CSA Z96 Class 3, Level 2 when worn with a CSA Class 2, Level 2 upper garment with reflective arm bands.
