Eye Sling Hook with Forged Latch CAX

Product information

Eye sling hook with forged latch CAX designed for grade 100 lifting applications. Features a robust eye for easy connection to master links or slings and a secure latch that closes automatically under load to prevent accidental disengagement. Built from high-strength alloy steel for exceptional durability and reliability in heavy-duty lifting operations. Suitable for chain sling assemblies in construction, industrial rigging, and material handling environments. Available in multiple sizes to accommodate a wide range of working load limits.

Marking: CE-marked

Safety factor: 4:1

Grade: 10
