

Rope Tensioning Clamp Waltermann

Product information

General: For safe and careful installation, tensioning or pulling of ropes. The tension spring construction allows to position the clip on the rope without any additional fixing and maintains the grip on the rope even if the rope is unloaded.

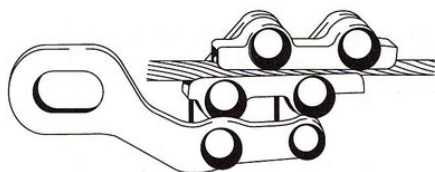

Nominal size: 4-10 with round hole

Nominal size: 16-38 with oval hole

Features:

- Hardened clamping shoes.
- Clamping shoes with deep and sharp teeth.
- Tension spring for easy positioning.
