Product information

Magik Bungy is a versatile cargo securing solution designed to meet the demands of both everyday users and professionals. Engineered with a premium elastomer elastic and a heavy-duty sliding strap, it delivers a secure and reliable hold for a wide range of applications.

Built for long-lasting performance, **Magik Bungy** is made from durable, high-quality materials that resist wear and maintain their strength over time. Its adjustable design accommodates lengths from 1 to 6 ft, with the heavy-duty version extending up to 12 ft, providing exceptional flexibility for transporting and securing loads at home, on the job site, or anywhere in between.

- Adjustable length from 1 ft to 6 ft, and up to 12 ft (Heavy-Duty Model)
- Premium-Grade Elastomer Elastic Cord
- Heavy-duty sliding strap
- Built to last with durable materials
- Available in various lengths and load capacities
- Suitable for residential and professional use

Important: The Magik Bungy is designed as an elastic securing strap for holding items in place. It is not intended to replace a load securement device that complies with applicable standards when such compliance is required for the transportation of loads.
