

Belt-Tech Magik Ratchett Ratchet Straps, 144", 500 lb to 1,000 lb Working Load Limit (Pack of 2)

Product information

Belt-Tech Magik Ratchett Straps provide a simple, fast and effective solution for securing a wide variety of loads during transportation, storage or everyday tasks. Equipped with a durable ratchet mechanism, they deliver optimal tension while making tightening and releasing the strap quick and easy.

Manufactured from durable materials, **Magik Ratchett** straps are designed to withstand repeated use and demanding environments. Their compact design and ease of use make them an excellent choice for both professionals and everyday users.

Available in a 144 in. length, these straps offer a load capacity of 500 lb to 1,000 lb, depending on the model, and are sold in 2-packs. They are suitable for a wide range of applications, including securing equipment, bundling materials, recreational use, and light commercial and industrial applications.

- Sliding ratchet system
- Secure and reliable hold
- Made from high-quality materials
- Supports heavy loads
- Wear-resistant
