TERRA Hi-Vis 5 Point Tear Away Mesh Safety Vest

Product information

The Hi-Vis 5 Point Tear Away Mesh Safety Vest is designed for workers requiring high visibility and quick garment removal in potential entanglement situations. Made from breathable polyester mesh, it combines reflective detailing with five-point tear-away closures for use in construction and industrial environments.

Best used for:

- Construction sites and industrial workplaces requiring high-visibility clothing.
- Work environments with entanglement hazards or where fall protection harness access is needed.

Product benefits:

- Five-point tear-away closures enable quick removal in entanglement emergencies.
- Breathable polyester mesh supports airflow during physically demanding work.
- 2-inch reflective tape over 4-inch contrast stripes improves worker visibility.
- Two flap pockets, microphone loops and ID holder keep essentials accessible

Material: Polyester mesh
Marking: According to standard
Finish: Reflective tape over contrasting stripes
Standard: CSA Z96:22 Class 2, Level 2, ANSI/ISEA 107-2020 Type R Class 2
Warning: Inspect before and after use. Keep the garment clean, as dirt and wear can reduce visibility and reflectivity.
