

The LSP shackle

The advantages of the LSP shackle

- Titian™ screw pin or bolt type anchor shackles;
- Competitive price;
- Working Load Limit and size are permanently forged onto every shackle;
- Capacities 1/3 through 35 metric tons;
- Meet or exceed all requirements of ASME B30.26;
- Safety factor 6 to 1;
- A traceability batch code and the manufacturer traceability code are forged onto each shackle and pin;
- Proof testing certificate available;
- Forged-Quenched and tempered with alloy pins;
- Hot dip galvanized.
